

Home Care Package Pricing Schedule

Community Services #1 (CS#1) is a local community based, non-government organisation that has been providing a wide range of community services in Canberra for more than 30 years. We currently serve over 500 seniors through various funded programs and we operate on the philosophy that no two people are the same, so we will work with you to deliver personalised services. We have a dedicated team of Home Care Support Workers and Scheduling Coordinators who are easily contactable and will respond to you promptly. We are agile and can adapt to any change in needs quickly, while upholding a high quality of care and standards.

Community Services #1 Service Delivery

Community Services #1 has a dedicated team of experienced and qualified Home Care Support Workers who will respond to your individual needs. We strive to provide continuity of care with our staff who can assist with (but are not limited to) personal care, social support, household duties and transport.

CS#1 Care & Package Management Fees

Community Services #1 has unlimited Care Management hours and Package Management – this includes all coordination of services, referrals, claiming of funds, package statements and case reviews as needed. Case Management: We let you tell us what you want to do! Our experienced coordinators will work with and listen to you, to develop your plan of services. We respond quickly to your needs and can assist you when you are unsure. Our staff are highly experienced and qualified in the aged and community sector and can access services to help you to remain living independently at home.
